MEMORANDUM FOR THE RECORD

SUBJECT: CIA Color Badge System Meeting 1 March 1960 in the Office of Security

25X1A9a

1. Mr. [REDACTED], Chief, Administrative Training Staff, Office of Security, turned me over to Mr. [REDACTED], his Budget and Fiscal Officer, who took me down to see Messrs. [REDACTED] in the Physical Security Division, who are responsible for developing the Office of Security requirements in connection with a color badge system. They stated that they would like to have the Agency converted completely to a color badge system at the time the bulk of the Agency moves into the new building. However, they are also interested in seeing established an electronic badge system to be effective at the time of the move to the new building. These two problems are related but separable. The decision with regard to the electronic badge system has not been made and is not dependent on a color badge system since the color badge system will be compatible with the electronic badge control system. They are most anxious to get a decision on color badges which they can then hold pending a decision on the electronic badge system, because they do not want to move into either one or the other separately if they can avoid it. (2 badge changes in 2 yrs instead of 1 yr)

2. Mr. [REDACTED] gave the undersigned a copy of a memorandum dated October 1959, from the Director of Security to the Director of Logistics, requesting that Logistics planning include provisions for the acquisition of necessary equipment and facilities to undertake the production of color badge photographs within the Agency; and a memorandum from the Director of Logistics to the Director of Security, undated, stating that equipment would cost approximately \$25,000, supplies would cost \$2100 initially, and \$4,000 more per year for material than now used for black and white plus two additional personnel and stating that DD/S approval would have to be obtained. Both memoranda attached hereto, together with a copy of the Director of Security's memorandum to the DD/S requesting approval of the color badges.
